It may be seen therefrom that he is not in favour of grant of bonus to those placed on Special duty. He does not appear to be against the grant of deputation allowance to them.

9 Just as in the case of the Governor General's visit, the staff employed on Spl. duty in connection with the Prime Minister's visit had very hard work to discharge. They had to work overtime on many a day. ~~It is also~~ The total period of Spl duty may perhaps be taken at one month and a deputation allowance may perhaps

25) The lists put up by O.B. are for personal. They do not include the particulars of the Chauffeurs on the Ministers' Establishments who are recommended for the grant of a bonus- vide para 22.

26) In order to arrive at an estimate of the expenditure involved, a Complete list of the staff is necessary and it is not easy to Compile a Comprehensive list as several departments were Concerned e.g. the Police Deptt., the Office of the D.C. Bangalore Dt. (Urban), etc.

27) In view of this practical difficulty, it is for Consideration whether the question of the payment of a bonus or a deputation allce., subject to a minimum of Rs. 15/- as recommended on para 9, so far as the staff of the Secrt. is Concerned including the staff of the Guest Houses under the Control of the Chief Secretary may not be Considered by itself, leaving it to the Heads of Departments Concerned to make their re-Commendations, if any, independently of this

Issued letter No. 8493/CB. dated 22.4.49 to The Huzur Secretary to H.H., Mysore requesting to forward a list of officials and other staff who worked in Connection with the visit of the Hon'. Prime Minister of India, with his recommendation in the matter of giving a bonus or deputation allowance

Letter No. P.A. 103/48-49 dt 9.5.49 from the Private Secretary to H.H. the Maharaja recommending the grant of a special bonus equal to a month's pay (Subject to a maximum of Rs. 100/-) to the staff including two Officials attached to the Hotel Establishment working at Govt. House and the Servants of the Guest Houses in Mysore and half month's pay to the eight Officials of his Office in recognition of the good work done in Connection with the visit of the Hon'ble Prime Minister of India to Mysore in Dec'. 1940.

32) Submitted for perusal with reference to para 12.

33) If the recommendation of the Private Secretary is accepted in respect of the staff in Mysore, it may have to be made applicable, ipso facto, to the staff of the Guest Houses in Bangalore and the staff in C. B. and O. B. who worked in connection with the visit and whose work

siderations have been urged in favour of the staff of the Guest Houses in Mysore can perhaps be urged with equal emphasis in respect of the staff of the Guest Houses in Bangalore.

34) The cost of the bonus, if sanctioned, would amount to Rs. 3,459-10-0 in the case of the staff at Mysore and to about Rs. 2500 in the case of the staff at Bangalore.

35) There is a similar proposal for the grant of a bonus to the staff in connection with the visit of the Hon'ble Dy. Prime Minister in Feb. 1949, and this would cost an equal amount - vide linked file. The two proposals may perhaps be considered together, as the two visits took place within a short interval of each other, the conditions of work were more or less similar and the staff - concerned is identical barring two or three.

36) As has been remarked on para 31, the practice of granting a bonus is beset with many difficulties, but the alternative suggested by the Finance Deptt., namely, a deputation allowance appears to be equally difficult of - adoption as the period of deputation

cannot be determined with exactitude and where this can be done, the period may be all too short and the amount of the allowance admissible too inadequate a reward for all the hard work involved which has generally to be rushed through. At the same time, great care and promptitude are essential and the good work done by a staff on extraordinary occasions like these - staying overtime and working at odd hours - does perhaps deserve some recognition not provided for under the ordinary rules. It would therefore be rather hard if the system of granting a bonus has to be done away with altogether. The request is [redacted] supported by precedents, and in the Secretariat itself, the grant of a bonus is still considered an appropriate form of recognition e.g. bonus to the staff of the Fl. Br. engaged on Budget work. Care will, however, be taken to see that only those directly concerned are included and none else - as ordered on para 30.

37) The two proposals made by the Private Secretary to His Highness for the grant of a bonus to the staff are for Consideration and orders. If it is permissible to modify these proposals with a view to -

Prime Ministers Visit — Request for grant of bonus to staff

General and Revenue Secretariat

Keeping in the cost and making them acceptable to the Finance Deptt. it may be submitted that a bonus for each visit equivalent to half a month's pay, subject to a maximum of Rs. 50/-, uniformly for the staff of the Guest Houses and the other staff would perhaps be as reasonable a proposal as any in the circumstances. This modified proposal would reduce the expenditure on this account by more than half the estimated cost at para 34 and would at the same time be a not too inadequate recognition of the good work done by the staff. The expenditure could be further reduced to some extent if the Private Secretary to His Highness could be requested to revise the lists so as to restrict the benefit to those directly concerned and none else. His lists include at present the entire staff of his Office and probably one or two others not directly concerned e.g. Officials attached to the Hotel Establishment. This is for kind consideration and orders.

12.5.49

38) It may perhaps be enough if a bonus equivalent to half a month's pay subject to a maximum of Rs. 50/- for each visit is sanctioned.

39) It is also for consideration if the Pri Secy to H. H. the Maharaja may be requested

to revise the list so as to confine the benefit only to those who were directly concerned.

Chief Secy) 12/5/49

40) The suggestion at A. and B. may be accepted. I agree that it is not possible just yet altogether abolish the system granting a reasonable bonus to staff who have to work overtime, with willingness and promptitude, on Extraordinary occasions like these.

41) If the suggestions are accepted, the actual cost will be worked out by cutting down the list of officials to the barest minimum, as regards those in the Palace as well as the officials in Mysore and Bangalore.

FROM

THE PRIVATE SECRETARY
to His Highness the Maharaja of Mysore,

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

Sir,

With reference to your letter No.8493/C.B., dated the 22nd April 1949, I write to recommend that a special bonus equal to a month's pay (subject to a maximum of Rs.100/-) may kindly be sanctioned to the staff including the two officials attached to the Hotel Establishment working at Government House and servants of the Guest Houses in Mysore and half month's pay as bonus to the eight officials of my office, in recognition of the very good work they did in connection with the visit of the Hon'ble the Prime Minister of India to Mysore in December 1948.

As you are aware, camps were arranged outside Mysore at Karapur and Krishnarajasagara and the same set of persons had to work at all the camps, without rest and without food. Owing to the short notice of the visit, the clerks and the servants had to keep long hours in the night. Especially on the night of the 29th December, the clerks and the servants had practically to keep themselves awake for the entire night as the guests returned to Lalitha Mahal at about 1 a.m. and the guests had to leave very early in the morning after attending the function at the Cheluvamba Mansion. No Clerk or servant was spared and each individual did his utmost for the success of the entertainment. The staff of my office also was sent for work at Government House, Lalitha Mahal, Karapur and Krishnaraj Sagar Hotel in connection with the visit. Immediately after visit there was a garden party for about 3,000 persons in connection with the All India Education Conference and every one was kept busy without any rest.

This was a most trying time and every one did his part of the work most satisfactorily.

The cost involved works out to Rs 2935/10 in the case of the Guest House Establishment and to Rs.524 in the case of my office. The cost involved will be met out of the grant under Entertainment of Guests.

I shall be obliged if you will kindly accord early sanction of Government to the proposal.

Yours faithfully,

Private Secretary
to H.H.the Maharaja of Mysore.

Subject:- Visits of the Hon'ble Prime Minister and Hon'ble Deputy Prime Minister of India to Mysore and Bangalore - Grant of Bonus to staff.

With reference to your letters Nos.P.H.103 and P.H.167/48-49 dated 9th May 1949, I am directed to state that the list of officials and staff to whom bonus can be given should include only those directly drafted for work and none else, and that it should be cut down to the barest minimum, so that the cost on this account may be kept down as much as possible. I am to point out that the lists forwarded with your letters seem to include the entire staff of your office and probably a few others not directly concerned, eg., officials of Hotel establishment.

I am therefore to request you to forward revised ~~xx~~ lists accordingly, omitting all those that were not actually placed on special duty.

I am also to state that the bonus, if sanctioned, cannot exceed half a month's pay for each ~~case~~ visit and may be subject to a maximum of Rs.50/- uniformly for the staff of the Guest Houses and ~~to~~ the other staff. I am to request that a statement of cost on this basis may also be worked out provisionally and forwarded with the revised lists.

3.6.49

Sir,

Subject: Visits of the Hon'ble the Prime Minister and the Hon'ble the Deputy Prime Minister of India to Mysore - Grant of Bonus to Staff.

With reference to your letter No.9833/C.B., dated the 31st May 1949, I write to say that the lists forwarded from this office contains the names of only those persons who were actually drafted for special work in connection with both the visits and does not contain names of those who were not directly concerned with the visits.

In connection with the visit of the Hon'ble the Prime Minister, as the Government are aware camps were arranged at Government House, Staff Quarters, Lalitha Mahal, Karapur and Krishnarajasagar. While no additional staff was employed, the officials of my office and two officials from the Hotel Section were deputed for work in all the places noted, in addition to the Guest House staff. They were kept moving from place to place, without any rest, to supervise the arrangements. They did their work cheerfully and worked overtime. With little rest and before dawn they were sent to look after the arrangements at the Cheluvamba Vilas and later at Lalitha Mahal and the Aerodrome The entire staff was placed on special duty, nobody was spared and as much work as could be taken, was taken. The same staff was reemployed the next day for work in connection with the visit of the Delegates of the All India Educational Conference and in connection with the Garden Party arranged for 3000 persons. I may add that the Garden Party was got up at short

notice and entailed very heavy work for the staff.

In connection with the visit of the Hon'ble the Deputy Prime Minister also, my office staff as well as two officials from the Hotel Section were placed on special duty and were directly concerned with the visit and the Garden Party at the Chamundi Gymkhana.

The lists received from the Guest Houses contained the names of the members of the Hotel Metropole and Hotel Krishnarajasagar and other additional names who had worked in connection with the visits of the Hon'ble the Prime Minister and the Hon'ble the Deputy Prime Minister. But with a view to omit names not directly concerned with the visits, their names were omitted to bring the number to the minimum. Only the names of two officials of the Hotel Section were included as they were constantly working in Government House, and at the camps.

In the circumstances I request that as suggested by the Government only half a month's pay for each visit, subject to a maximum of Rs.50/- for each visit, uniformly for the staff of the Guest Houses and the other staff noted, may be sanctioned. Revised lists, as desired, worked out on this basis, bringing down the cost to a minimum, are sent herewith for kind approval of Government.

Yours faithfully,

Private Secretary.

GOVT. OF MYSORE

To

The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore.

10/5/49

Sir,

~~Visit of the Hon'ble Sirdar Vallabhbhai Patel,~~
Deputy Prime Minister of India to Mysore
during February 1949.

In connection with the above visit, I write to recommend that a special bonus equal to a month's salary (subject to a maximum of Rs.100/-) may kindly be sanctioned to the staff including two officials attached to the Hotel Establishment working at Government House and servants of the Guest Houses in Mysore and half a month's pay as bonus to the eight officials of my office in recognition of the very good work they did.

With very short notice the clerks and the servants rose up to the occasion and did their part so well that everything went off without any hitch or break. No extra servants were engaged and everyone worked extra time and in good spirit, though the strain involved was very much to bear.

The cost involved works out to Rs.2983/11/-in the case of the Guest House Establishment and to Rs.560/- in the case of my office. The cost involved will be met out of the grant under Entertainment of Guests.

I shall be obliged if you will kindly accord early sanction of Government to the proposal.

Yours faithfully,

Private Secretary
to H.H.the Maharaja of Mysore.
